

# Parent Page

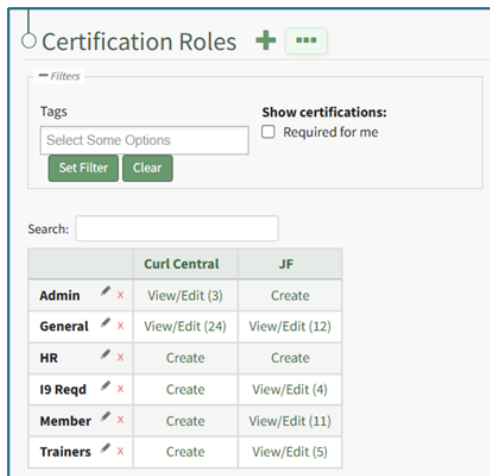

Here ya go!

Almost!

## How To: Open a Page

Test this is Sundays.

To assign a certification role to multiple users at once, select the Roles Page in the People Module from the Main Menu to open the Certification Roles Page.

The screenshot shows the 'Certification Roles' page. At the top, there is a title 'Certification Roles' with a plus sign and a menu icon. Below the title is a 'Filters' section with a 'Tags' dropdown menu (currently showing 'Select Some Options') and a 'Show certifications:' checkbox labeled 'Required for me'. There are 'Set Filter' and 'Clear' buttons. Below the filters is a 'Search:' input field. The main content is a table with columns for role names and actions for two categories: 'Curl Central' and 'JF'.

	Curl Central	JF
<b>Admin</b> ✕	View/Edit (3)	Create
<b>General</b> ✕	View/Edit (24)	View/Edit (12)
<b>HR</b> ✕	Create	Create
<b>I9 Reqd</b> ✕	Create	View/Edit (4)
<b>Member</b> ✕	Create	View/Edit (11)
<b>Trainers</b> ✕	Create	View/Edit (5)

Click the "View/Edit (#)" clickable link that pertains to the role you want to assign users to opening the Assigned Users Tab of the specified certification role's Details Page.

Save Changes Cancel

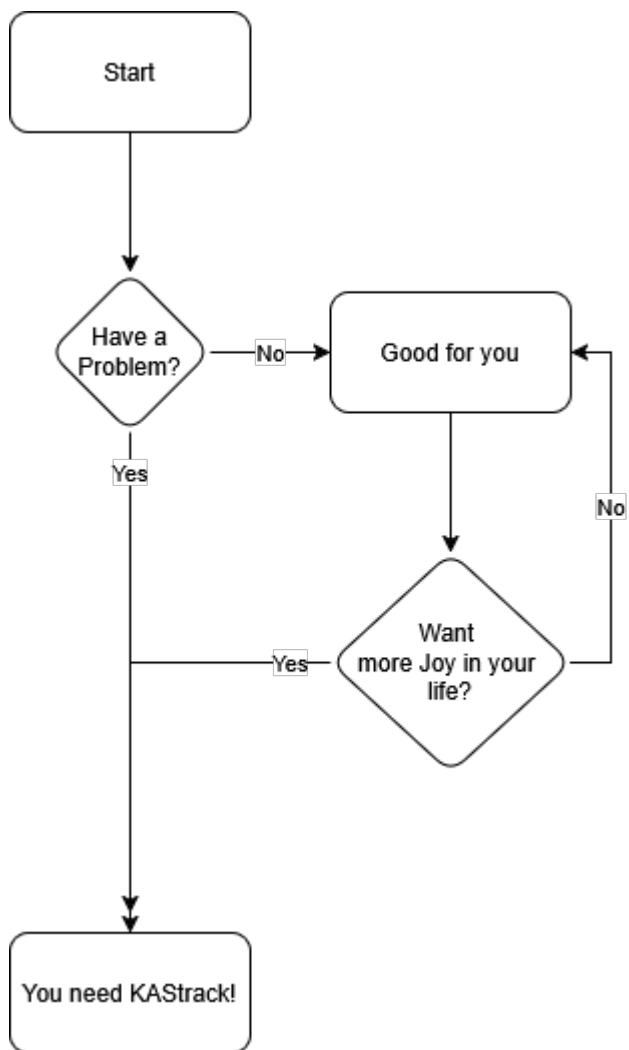

Use the checkboxes in the first column to identify the users the certification role now applies to.

Use the checkbox in the header row to select/deselect all available users.

Click the “Save Changes” button and return to the Assigned Users tab.
