

Add a New Manufacturer

To add a new manufacturer, open the Manufacturer Tabs on the Settings Page in the Assets Module from the Main Menu.

Settings

Asset Types Task Templates Meter Types **Manufacturers** Module Levels

Manufacturers

Clean Manufacturers

Add Manufacturer Search for Manufacturer: Search Clear

<< Page 1 of 1 >>

<u>Manufacturer</u>
TestingLLC ...
The Manufacturer ...
TempControls ...
Manufacturing Inc. ...
PSI ...

Select the Add Manufacturer button opening the New Manufacturer Modal.

New Manufacturer ✕

Name *

Save Cancel

Input the name of the new manufacturer and click the "Save" button.

The new manufacturer will now show in the Manufacturer Table.
