

Clean Manufacturers

To clean your manufacturers table, go to the Manufacturers Tab on the Settings Page of the Assets Module.

Cleaning Manufacturers will remove any manufacturers with no name associated with them and to merge any duplicate manufacturers listed.

Clean Manufacturers

Add Manufacturer Search for Manufacturer : Search Clear

« < Page 1 of 1 > »

Manufacturer	
TestingLLC	...
The Manufacturer	...
TempControls	...
Manufacturing Inc.	...
PSI	...

Click the "Clean Manufacturers" button beneath the Manufacturers header opening the Clean Manufacturers page which states, "Please do a backup first. When the backup is done, come back here and press continue." [WIKI LINK HOW TO DO A BACKUP BEFORE CLEANING MANUFACTURERS](#)

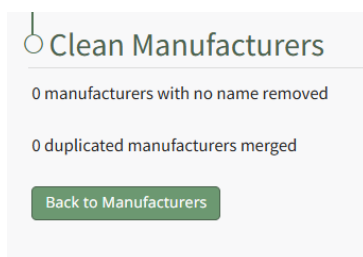

Clean Manufacturers

Please do a backup first. When the backup is done, come back here and press continue

Continue

Select "Continue".

Clean Manufacturers

0 manufacturers with no name removed

0 duplicated manufacturers merged

Back to Manufacturers

When the cleaning is complete, the system will state the number of manufacturers with no names removed and the number of duplicate manufactures merged. Click the "Back to Manufacturers" button to return to the Manufacturers Tab of the Settings Page.
