

Delete a Dispatch Attachment

To delete a specific attachment from a dispatch details page, go to the Home Page of the Dispatch Module. Click the ID or Title of the specific dispatch with the attachment you wish to delete.

This opens the Dispatch Details Page.

Hover your cursor over the attachment you wish to remove (in any section on the dispatch display page) and the trashcan icon will appear to the right of the attachment display name.

Select the trashcan icon opening the Deletion Confirmation Modal, confirming that you wish to delete the dispatch attachment. Click the “Confirm” button and the user will be removed from the dispatch display page.
