

Reset Your Own Password

To reset your own password, select the Reset Password Tab on the My Accounts Page of the Accounts Module. The Account Info Tab can also be accessed from the Main Menu.

My Account

Account Info Notifications Notifications History Reset Password

Reset password: Mitzi Orkus

Current password *

Enter new password *

Minimum of 8 characters

Confirm new password *

Save Cancel

Enter the required following information: your current password, your new password, and the new password a second time to confirm. Ensure your new password meets all displayed security requirements, which are listed under the Enter new password textbox.

Enter new password *

Minimum of 8 characters

When the password security requirement is met, the “X” will change to a “Check”.

Click the “Save” button to change your password. Click “Cancel” and you will return to the Account Info Tab on the My Account Page.

Revision #3
