

View Historical Logs for a Specified Task

To view the historical logs associated with a specific task, open the Task Schedule Page for the asset whose task logs you wish to view.

How To: View an Asset's Task Schedule

To view an asset's task schedule, open the Manage Assets Page in the Assets Module on the Main Menu. Use filters as needed and identify the asset/component whose task schedule you wish to view. Click the three-dot icon to the right of the asset title opening the Asset Management Context Menu.
